3. Outstanding Business

a. Proposed Amendments to the Operating Procedures

- No amendments at this time.

b. Annual Report

- Melissa did up a brief synopsis of the things Dickinsfield School Council has accomplished this year (included developing Operating Procedures, hosted presentation by Mrs Webb on building resiliency post fire, ASCA resolutions and produced school parent calendar for 2017/2018.). For activities planned for next year, we would like to add host parent info sessions.

c. Student Survey Tell Them From Me

- In January students in grades 4, 5 and 6 completed a student survey. Results were compared to those of students all across Canada who did the same survey. In comparing our outcomes to those of the Canadian norm, we are below average on some things and above average on others. Thomas is in the process of having a discussion with each of those classes that participated to find out more about how staff can better accommodate student's needs.

4. Election

- a. Meeting for brainstorming ways to increase parent involvement will be June 20 at 6:30pm.
